

Announcing

A Website Scholarship Program

RaeghanDesigns.com and EpicHoster.com are thrilled to introduce an exclusive opportunity for authors, entrepreneurs, US veterans, and small businesses (herein called Client) our complimentary Website Scholarship Program. This unique program will grant one Client per month a professionally designed 1-to 3-page professional WordPress website at no charge to the Client.

Our aim with this scholarship program is to empower our Clients to unlock new opportunities and drive growth. By providing an appealing and professional online presence, this custom website can be a catalyst for success, enabling people, review sites, and search engines to easily find the Clients' content on the Internet.

The only requirements for the recipients of this scholarship program are as follows:

1. Submit a short synopsis to RaeghanDesigns.com (contact information below) on why the Client could use a website and for what purpose it would be used.
2. Provide all high-resolution images and edited ready-to-be-published content for the website. (Raeghan Designs can provide content editing for \$45/hour)
3. To secure your online presence, you'll need to obtain a domain name. If you don't already have one, this can be done through EpicHoster.com here > bit.ly/3xHUIrO, with prices starting at \$12.97 per year. The Client is to cover the annual renewal fee. Or, if you would like, you can have RaeghDesigns.com secure your domain name and website hosting plan (below) for you. Just contact Raeghan via her contact information below.
4. Select and pay the standard website hosting plan with EpicHoster.com. (Starting at \$14/month if paid annually, depending on the hosting package. No promotional codes are allowed for this free website.)
5. After the complimentary scholarship website is created and published online, the Client can modify and maintain it. Or, Raeghan Designs can perform such work at the Client's request at a discounted rate of \$45 per hour.

The Client will own this website and can modify or expand it as he or she desires in the future. If the Client wants more than one to three web pages, he or she can arrange that with RaeghanDesigns.com before the start of the project for a small additional fee of \$100.00 per page.

In collaboration with the Client, RaeghanDesigns.com, a professional website design company, will design and develop this scholarship website, and EpicHoster.com, an affiliate of Raeghan Designs, will host it. This free website will not be hosted on another hosting service.

For more information on Raeghan Designs, a website design company, and EpicHoster, a website hosting service, visit RaeghanDesigns.com and EpicHoster.com.

Please don't hesitate to contact us with any questions or comments.
